MINIPRO LB

CORDLESS COMPACT FLOOR SCRUBBER

The MINIPRO LB delivers powerful cleaning performance in a compact and lightweight design. Engineered for maximum mobility, it is the ideal solution for stairs, bathrooms and narrow spaces where traditional machines cannot reach.

CORDLESS FREEDOM

Lithium-ion battery for maximum mobility and easy operation.

COMPACT & LIGHTWEIGHT

Designed for tight spaces such as stairs, bathrooms and narrow areas.

EFFECTIVE CLEANING

Powerful brush and pad system delivers excellent cleaning results on various surfaces.

RELIABLE & DURABLE

Robust construction with IPX4 protection for long-lasting performance.

TECHNICAL SPECIFICATIONS

● Working Width	220 mm	● Cleaning System	Brush + Pad Holder
● Brush Diameter	22 cm	● Rotation Speed	Approx. 150–200 rpm
● Operating Time	1.5 hours	● Machine Type	Battery-powered, cordless
● Battery Type	Lithium-ion (Li-ion)	● Application Areas	Stairs, Bathrooms, Narrow Spaces
● Battery Voltage	36V DC	● Noise Level	≤ 72 dB(A)
● Battery Capacity	5.5 Ah	● Protection Class	IPX4
● Charger Input Voltage	100–240V AC, 50/60 Hz	● Weight (with battery)	Approx. 8 kg
● Charging Time	Approx. 3–4 hours	● CE Standard	EN 60335-1, EN 60335-2-72
