

QUAKE 55-35E

INDUSTRIAL FLOOR CLEANING MACHINE

Engineered for professionals who demand power, durability, and precision. The **QUAKE 55-35E** provides exceptional cleaning performance on a wide range of hard floor surfaces.

POWERFUL PERFORMANCE

1.5Hp / 1100W motor delivers strong and reliable cleaning.

HIGH ROTATION EFFICIENCY

2900 RPM for deep and effective floor care.

OPTIMAL CAPACITY

13 liter water tank for extended operation.

DURABLE & ROBUST

Stainless steel chassis ensures maximum durability and long-lasting use.

TECHNICAL SPECIFICATIONS

• Power	1.5Hp / 1100W	• Weight	66 KG
• Rotation	2900 RPM/min	• Cable Length	13m
• Water Tank	13 liter	• Voltage	220V / 50Hz
• Chassis Diameter	55*35cm
